

Trick-or-Treating

A Social Story

Trick-or-Treat!

Halloween is on October 31st.

Some people dress up in costumes on Halloween.

It is okay if you don't want to
wear a costume.

Some people go trick-or-treating on
Halloween.

Trick-or-treating is when people

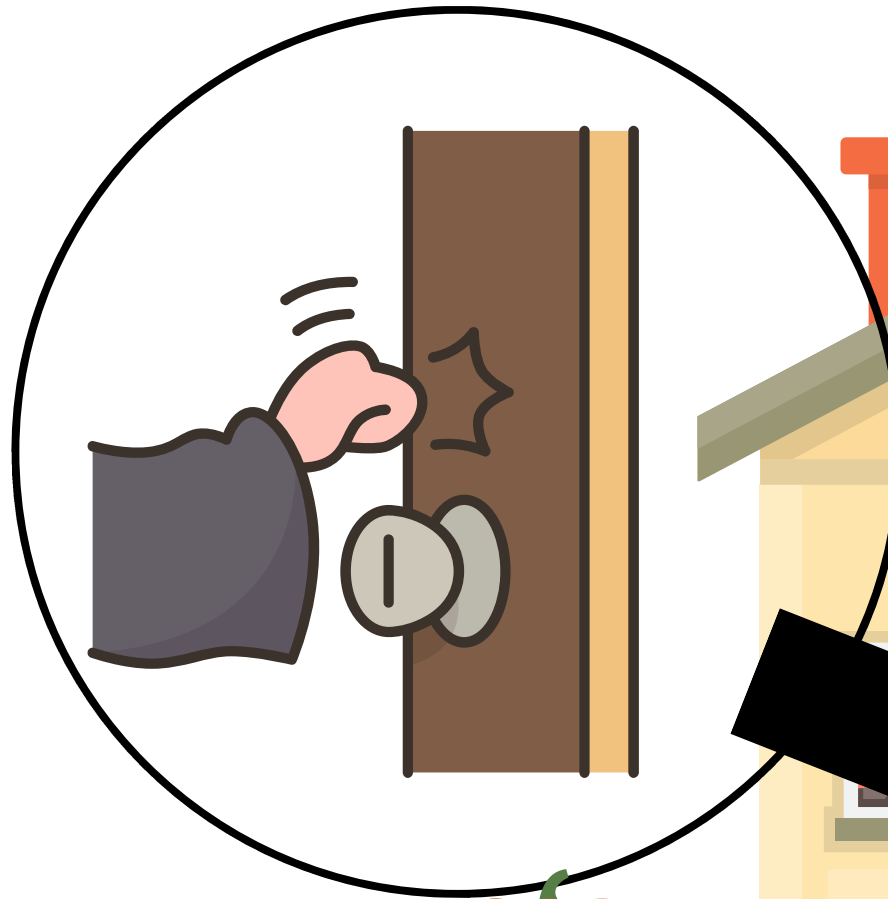

go to houses to get treats.

First, walk up to the door.

Next, knock on the door.

Then, say trick-or-treat and
hold out your bucket.

The person at the door will
put treats in your bucket.

Don't forget to say,
“thank you!”

Then, it is time to go to the

next house.

It is important to stay
together and not leave
your grown-up.

Halloween is so much fun!

Happy Halloween!
